

Pass Out

(to the tune of Tinie Tempah's "Pass Out")
by W. Lawton, aged 23 3/4

**Yeah, yeah, we pass the ball round
We got the runners and the long shots and the veers down
Let's get collect, anticipation, catch the ball now
But we need to stop and think before we pass out**

**Take the feed, let them veer away
We won't shoot now
Until we get collect and pass out**

Yeah, E U K C now
I got salt I got tequila, get your limes out
We live a very, very, very wild lifestyle
City and St. Andrews eat your hearts out

We used to shoot from short, now we shoot from far out
We got so many posts, we keep some at Will's house
Promoting kids korf baby, he about to branch out
Soon we'll win the league, yeah, like no doubt.

Yeah, yeah and there ain't nobody fresher
Semester to semester, recruitin' all the freshers
Bags of Haribo around the table at the Sports Fair
Interviews on Fresh Air, just in case there's someone out there

Say hello to Sarah, say hello to Biggar Sarah
Got them signing up their emails and there's crazy socials,
ain't there?

Korfball, we got amazing training sessions
Carefully planned to ensure your progression

**Yeah, yeah, we pass the ball round

Yeah, I've been in defence for 22 minutes, man. Get scoring..

Yeah, we say party, we say boy feed when we're on court
I'm pissed, if ever there's a game when we're outscored
I shoot em long but I never let it fall short
I'm fuckin' crazy in collect, call me King Korf

I'm 'bout to be a bigger star than my coach thought
'Cause every day I got a groupie wearing just a skort
Now I teach all the moves I used to get taught
Where's my recognition for my goals scored?

I'm not alone 'cause I can't play alone
Some play it just for fun, some never ever let it go
I may leave the club, I'll never ever walk alone
There's only one EUKC, and I call it home

We're not famous, we're sorta known
If your son doesn't, I bet your daughter knows
Check out our Facebook page, check out our website yo
Extraordinary, yo, why not come have a go

Uh, look at me, I've run all over court, man and
All I need is some more support, now a
Sweet veer, give it what I've got
Sayin' girl feed, won't ya gimme one more shot?

**Take the feed, let them veer away
We won't shoot now
Until we get collect and pass out**
